Living the

As we begin our journey at Hinds, we are excited about the world of possibilities.

We meet students from every walk of life, and recognize that the communities of Raymond, Jackson, Vicksburg, Pearl and Utica are full of opportunities for us to undertake. As time passes, we realize that we are not the same people we once were. We begin to call the college “home” and willingly participate in so many of its traditions. We then start Living the Legacy of our college life.

Legacy

Hinds Community College is a class institution for higher learning and a great place to build strong and lasting friendships with students and faculty. There is no doubt that when a Hinds student recalls different memories from their college experience, they have feelings that are rekindled as they remember Living the Legacy.

Spirit

Tradition

PRIDE

Loyalty

These are the feelings that we have after experiencing our brief stay at Hinds. The activities and events that we take part in as Freshmen and Sophomores will always be remembered as we continue

Life Star Awards

3-E AWARD WINNER- As HCC President Dr. Clyde Muse presented 3-E Award recipient **Peggy Brent** with this framed watercolor of the new Cain-Cochran Hall, he cited her exemplary leadership in the wake of the loss by fire of the old Cain Hall in March 1998. "It was an emotional time for everyone; and she had lost 35 years worth of her memorabilia, her personal books, and her teaching materials. Yet she made it her top priority to find temporary classrooms for all her instructors and their students, to comfort them, and to help them finish the semester with the least amount of upheaval," Muse said.

Comprehensive degrees and certificates in academic and technical areas can be pursued at the Rankin County Campus, located on Highway 80 East in Pearl. Offering a four-day school week, this campus continues to be the college's fastest growing facility. It is the second largest location in the Hinds Community College District.

People

Dr. Clyde Muse - President

Vashti Muse Dr. Clyde Muse

Under the leadership of Dr. Clyde Muse, who became president of Hinds Community College in 1978, Hinds has grown into one of the state's largest educational institutions with 15,000 students and six locations.

Dr. Muse has his own educational roots deep in the Mississippi community college system as a graduate of East Central Community College. His progress, traced through further degrees from Delta State University and Mississippi State University, and his years as an educator and administrator in the state's public schools, can be seen as an inspiration to all community college students. Not only is Muse an example of what young people of today can hope to achieve, but he understands their educational needs and their aspirations.

Muse's presidency entails not only the day-to-day administrative duties pertaining to the College, but he also acts as a liaison with the state legislature and the Hinds Board of Trustees on behalf of the College. In addition, he and his wife Vashti enjoy another aspect of the job, which is to serve as official hosts for the College. This entails sponsoring a number of functions, which brings the College in closer contact with the community, and lends their presence and support to student activities.

Muse, a leader in many professional and civic organizations, has received many honors for his activities and achievements. These include being named the 1993 Alumnus of the Year for the Mississippi State University School of Education, and being named the 1993 3-E Award winner at Hinds. He was also named East Central Community College Alumnus of the Year, and received the 2001 Southern Region Chief Executive Officer Award from the

Association of Community College Trustees.

Additionally, Dr. Muse received the 1994 National Association of Developmental Educators (NADE) Award for Outstanding Support to Developmental Education by a College Administrator/Public Servant. Dr. Muse was also inducted into the Mississippi Coaches Association's 2000 Hall of Fame in July, 2000.

Though the presidency of Hinds is a 24-hour-a-day job, Muse finds relaxation in doing some of his favorite things during his "off" hours which include jogging, golf, gardening, and spending time with his family. He and Vashti have three children and seven grandchildren.

A MESSAGE FROM *the Editor*

Working on *The Eagle* has been an experience all its own. Being a part of the yearbook staff has been an amazing opportunity for me to work with and meet new people. Putting out a yearbook is not just a bunch of pictures on a page. It is about trying to capture the real life of Hinds Community College on paper and publishing it. I would like to thank my production editor Justin Barnes (A.K.A. Bird) for all his hard work and dedication to *The Eagle*. I would also like to thank Tammi Bowles and Andrew Wilson for all the photos that were used to create the annual. I would like to give a special thanks to Bob Hodges for being my adviser and helping me with the annual in several different ways. I hope you will enjoy the annual as much as I have.

Thank you:

Christopher Kurtz
